

212 Bank Street,

Minutes of last meeting read  
and approved on motion.

September 13th., 1920

Regular monthly meeting of the New Jersey Urban League was held  
on the date above named and was opened with prayer by the chairman.  
Being the first meeting since June, the activities of the League  
for the three summer months were called for.

The Executive Sec'y read the report covering the three  
months. On motion the report was received and ordered filed.

Treas's report was then read which showed a balance in bank of  
\$1, July 1st : \$133.41 , August 1st and \$60.07, September 1st.  
Report was received and ordered filed on motion.

Attention was called to the precariousness of our financial con-  
dition by the chairman. The matter was discussed but there was no defi-  
nite plan fixed upon by which we might quickly add to our means.

McDougal and the Executive Sec'y mentioned the fact that there  
was at this time a very evident retrenchment on the part of people  
supporting charities. This attitude was hard to be understood  
as profits were just as great as during the war period.

Question of the annual conference of the National Urban League to  
be held in this city October 20-23 then came up. After some discussion  
it was decided to wait upon the conference to be held between the Executive  
and Mr. E. K. Jones before going into the matter of more detailed  
arranging and the securing of accommodation &c.  
Meeting then adjourned.

Carl Banwart, Chairman.

L. B. Ellerson, Sec;
